All had a great time, and some had never shot Trap before but got their first chance to experience it. Again, hoping they will use the Trap range in the future.

Old Business: None at this time. At a later meeting there will be a detailed discussion about the next fundraising event.

New Business: Chad Nelson is requesting when he has a person that needs to shoot for their CCW qualification would he be able to use an available open pistol bay for a fee of \$25. It was the consensus of the Board that he could do that.

There being no further business the meeting was adjourned. Thanks to all attendees for coming to the meeting.
