Pistol/Rifle Range RM: The following is Mike Hampton's written report: After two weeks of vacation, two weeks of Covid, and 6.5 weeks of recovery from shoulder surgery, Jim Shipley is back among us and will continue volunteering as an active RSO on Wednesdays. Thanks to Rick, Dale and others who filled the gaps in his absence.

As of November 15, Jim is no longer maintaining the refrigerator, freezer and coffee supplies. Tony Garcia has taken over Jim's culinary supply responsibilities, and from the look of the refrigerator and nearby shelves we'll all soon be on diets. Thanks to Jim for many loyal years of service, and thanks to Tony for stepping in.

El Dorado Steel Shooters (EDSS) has taken on a life of its own, thanks to Amer Sahtout and Chris Puehse and the hard work making it all come together. Enthusiasm and attendance are high and the two principals are going to be hard to beat, though Bob St. Amour is keeping most everyone humble.

Trap Range RM: I am sorry to say that the Trap Range still remains temporarily closed but the Club is working diligently to get it reopened as soon as possible.

Old Business: It was moved, seconded and unanimous vote to charge \$80 per person and \$150 per couple to attend the Club's Save the Trap Range Fundraising Dinner. The Club has spent \$6136.55 to date on the endeavor to Save the Trap Range and we have not gotten to the expensive part of the fight. We are asking all to help with this fight. Please attend our dinner.
