Firearms Instructor Policy

- It is a privilege, not a right to be a firearms instructor at El Dorado Gun Club
- All firearm instruction (for-profit and non-compensated instruction) conducted at the EDGC must be approved by the Senior Range Manager
- For-profit instruction is defined as: the instructor receives monetary compensation for services rendered
- Non-compensated instruction is defined as: the instructor receives no monetary compensation for services rendered
- Criteria for “for-profit-instruction”
 - Be an EDGC RSO
 - Provide a firearms instructor insurance certificate of liability with a minimum coverage of \$1,000,000
 - Provide a Certificate of Additional Insured listing the El Dorado Gun Club as the additional insured entity on the instructor’s firearms or business insurance policy
 - Provide a Firearms Instructor Certificate from a recognized organization: NRA, military, P.O.S.T., DOJ, etc.
 - The Senior Range Manager will determine if the certification meets the requirements of the EDGC e.g. the certification(s) must include the subject matter that will be included in the “for-profit instruction” e.g. type(s) of firearm used, gun handling skills taught, techniques incorporated, etc.
 - Approval by the EDGC Board of Directors

CCW Qualifications are the only “for-profit-instruction” currently allowed at EDGC.

- A maximum of two (2) CCW Qualification sessions per month, per instructor/business.
 - Maximum four (4) hours in duration.
 - No more than one (1) weekend (Saturday or Sunday) session per month without permission from the Senior Range Manager (SRM).
- CCW instructors must open an Open Pistol or Open Rifle session for every CCW Qualification session held – a one for one trade.
 - The Open Pistol or Rifle session must be held within the same calendar month of the CCW Qualification session
 - The Open Rifle or Pistol session must be advertised on the EDGC calendar for a minimum of seven (7) days prior to the session date. The session must be at least three-hours in length and held within the hours of 8am and 5pm: start no earlier than 8am and must end no later than 5pm i.e. Open Pistol 8am-11am, Open Rifle 1pm-5pm.
- If a CCW instructor desires an additional CCW range session, a longer session, or an exemption of a different nature – a request can be made to the SRM, who is authorized to make exceptions based on an individual basis. The SRM will base their decision on what is in the best interest of the EDGC.
- Range reservations for CCW Qualifications may be made for the entire calendar year i.e. Jan 1 thru Dec 31. An instructor “in-good standing” can reserve the next calendar year beginning Sept 1 of the preceding year.
- A \$45.00 range rental fee for each CCW reservation. This is the minimum CCW range rental fee. Covers range rental and the range fees for (up to) three (3) students/shooters.
- There is a \$15.00 range fee for each additional shooter/student
- The \$45.00 range rental fee and any additional range fees are due at the end of each range session – cash or check.
- The EDGC Liability Release/Sign-in-Sheet must be utilized (in addition to any sign-in-sheet/waiver the individual CCW instructor may use).
- Cancellations made 21 days prior to the scheduled reservation date result in no range rental fee being charged. Cancellations within 21 days of the scheduled reservation date, require payment of the \$45.00 range rental fee. Repeat cancellations will result in a review of the instructor’s status at EDGC.

- An exemption to the CCW Qualifications only policy for “for-profit instruction” can be requested by a qualified RSO via the Senior Range Manager, who will make a recommendation, for or against, to the Board of Directors or the Executive Committee, who will approve or disapprove the request.
 - The request must be in writing (paper or email): detailing the date, time period and range requested, number of people attending, type of firearms training to be conducted, who will conduct the training, the benefit(s) for granting the exception to the EDGC and its Members. The documents listed in “Criteria for for-profit-instruction” must also be included. Exemptions are made on an individual basis and do not established a precedent for future exceptions.
